Application Instructions

Applicants will use the online application service CSDCAS (Communication Science and Disorders Centralized Application Service).

The application period will begin August 5, 2009. For full consideration for admission to our graduate program, as well as for consideration for financial aid, we require that all domestic application materials be received by December 31, 2009. For international applicants, all materials must be received by November 15, 2009.

To apply, please visit <http://www.csdcas.org> click on "apply now for the 2009-2010 academic year" If you experience problems or have questions, please contact CSDCAS Customer Service at (617) 612-2030 or at csdcasinfo@csdcas.org. The CSDCAS Application fee is \$100 for the first program and \$45 for each additional program. In addition to completing an application through CSDCAS you are also required to complete a supplemental application through The Ohio State University. To complete the supplemental application please visit <https://www.applyweb.com/apply/osus/menu.html>. The OSU Supplemental Application fee is \$40 for a domestic applicant and \$50 for an international applicant.

Please follow the instructions carefully on each website. DO NOT send your application materials to the Department of Speech and Hearing Science.
