

Curriculum for the AuD in Audiology
Revised July, 2007

Year 1 (Note: Courses Subject to Change)

Coursework in the first year of the program is heavily weighted toward basic science and introductory clinical courses. The year is primarily dedicated to didactic classroom activity, laboratory experiences and structured professional development experiences.

Autumn Quarter			
Course Title	Number	Faculty	Credits
Assessment I	705	Davidson	5
Neurology	765	King	5
Acoustics & Instrumentation	766	Feth	5
Professional Issues	643.01	Hazelbaker	3
Screening in SLH	743.01	Goodman	1
(Introduction to AR*)	734D	Davidson	(5)
*if not taken as an UG			
			Total Credit Hours = 19

Winter Quarter			
Course Title	Number	Faculty	Credits
Assessment II	706	King	5
Hearing Aids I	735	Davidson	5
Research Methods I	785	King	5
Professional Issues	643.02	Hazelbaker	3
			Total Credit Hours = 18

Spring Quarter			
Course Title	Number	Faculty	Credits
Assessment III	707	King	5
Anatomy/Physiology/Psychoacoustics	775	Hazelbaker	5
Acoustic Phonetics	820	Nittrouer	5
Hearing Aids II	835	Davidson	5
			Total Credit Hours = 20

AuD Qualifying Examination	Th/Fr of finals week.
-----------------------------------	-----------------------

Summer Quarter			
Course Title	Number	Faculty	Credits
Assessment of Vestibular Function	750	Barin	5
Contemporary Issues	743.00	Workshop	1
Practicum in Audiology	843	Supervisors	5
Counseling/Report Writing	743.02	Goodman	1
			Total Credit Hours = 12

Corrective Actions from Qualifying Examination, if needed.

Year 2

The second year of the program is heavily weighted toward advanced clinical coursework and practicum in the The Ohio State University Speech-Language-Hearing clinic and in local external placement sites.

Autumn Quarter			
Course Title	Number	Faculty	Credits
Research Methods II	786	Milman	5
Pediatrics I	805	Whitelaw	5
Medical Audiology	806	Dodson & Roup	5
Hearing Aid Applications	743.03	Goodman	1
Practicum in Audiology (1 day)	843	Supervisors	5
Total Credit Hours = 21			

Winter Quarter			
Course Title	Number	Faculty	Credits
Adult Audiologic Rehabilitation	733	Roup	5
Pediatrics II	807	Whitelaw	5
<u>Advanced Topics in Audiology</u>	930		3
Cochlear Implants (odd years)	930.01	Goodman	
Hearing Conservation (even years)	930.05	Adjunct (Poling)	
Practicum in Audiology(1 day)	843	Supervisors	5
Total Credit Hours = 18			

Spring Quarter			
Course Title	Number	Faculty	Credits
<u>Advanced Topics in Audiology</u>			3
Tinnitus (even years)	930.03	Whitelaw	
AR in Children (odd years)	732	Adjunct	
Ethics	743.04	Whitelaw	1
Practicum in Audiology (2 days)	843	Supervisors	5
Specialization Coursework*			
Total Credit Hours = 9+			

Summer Quarter			
Course Title	Number	Faculty	Credits
Practice Management	930.02	Burrows, D.	3
Contemporary Issues	743	Workshop	1
Practicum in Audiology (2 days)	843	Supervisors	5
Specialization Coursework*			
Total Credit Hours = 9+			

*Students choosing the **Specialization Option**, in conjunction with his or her advisor, will put together an approved sequence of courses (at least 12 hours). The courses can come from those offered in the department (e.g., 950s, ASL, school certification, or SLP courses), or may come from courses outside the department (e.g., toward early intervention specialization, geriatric specialization, neuroscience minor, or an approved outside sequence), but must be approved by the faculty audiology advisory committee.

Year 3

Students continue coursework toward their topic specialization and/or preparation for their Capstone project during Autumn, Winter, and Spring Quarters. Students will complete the AuD Professional Doctoral Examination at the end of Spring Quarter and will begin the 12-month professional experience in Summer Quarter - after successful completion of the AuD Professional Doctoral Examination.

Autumn Quarter			
Course Title	Number	Faculty	Credits
Resumes and Interviewing	743.06	Whitelaw	1
Practicum in Audiology (2days)	843	Supervisors	5
Capstone Project	997	Advisor	3
Specialization Coursework			

Total Credit Hours = 9+

Winter Quarter			
Course Title	Number	Faculty	Credits
Multicultural Aspects of Communic. . .	605	Fox	5
<u>Advanced Topics in Audiology</u>	930		3
Cochlear Implants (odd years)	930.01	Goodman	
Hearing Conservation (even years)	930.05	Adjunct (Poling)	
Evidence-Based Practice	743.05	Whitelaw	1
Practicum in Audiology (2 days)	843	Supervisors	5
Capstone Project	997	Advisor	3
Specialization Coursework			

Total Credit Hours = 17

AuD Professional Doctoral Examination

(Note: in order to meet Ohio State Graduate School requirements, students must be

Spring Quarter			
Course Title	Number	Faculty	Credits
<u>Advanced Topics in Audiology</u>			3
Tinnitus (even years)	930.03	Whitelaw	
AR in Children (odd years)	732	Adjunct	
Seminar: Research to Practice	950.19	All	3
Clinical Grand Rounds	743.07	Staff	1
Practicum in Audiology (2 days)	843	Supervisors	5
Capstone Project	997	Advisor	3

Total Credit Hours = 15

Summer Quarter			
Course Title	Number	Faculty	Credits
Externship	943	Whitelaw	1
Capstone Project	997	Advisor	3

Total Credit Hours = minimum 3

Year 4

The externship and capstone project are completed. Following a Final Oral Examination, an AuD is awarded. The Final Oral Examination for AuD students will focus on academic preparation, clinical preparation, and the capstone project.

Autumn Quarter			
Course Title	Number	Faculty	Credits
Externship	943	Whitelaw	1
Capstone Project	997	Advisor	3

Total Credit Hours = minimum 3

Winter Quarter			
Course Title	Number	Faculty	Credits
